Prevalent Program Evaluations

OVERVIEW

Legislatively, South Carolina First Steps is required to evaluate prevalent programs on a five year schedule (SC State Code § 59-152-50). Prevalent programs are defined as >10% of total expenditure of Local Partnership formula funding. The legislation dictates that First Steps before June 30, 2015 shall:

“contract with an external evaluator to develop a schedule for an in-depth and independent performance audit designed to measure the success of each prevalent program in regard to its success in supporting the goals of the State Board and those set forth in Section 59-152-20 and Section 59-152-30. Results of all external performance audits must be published in the First Steps annual report.”
