

At the beginning of the 2023-24 school year, the KRA was administered to 53,354 incoming kindergartners across South Carolina, according to the South Carolina Education Oversight Committee

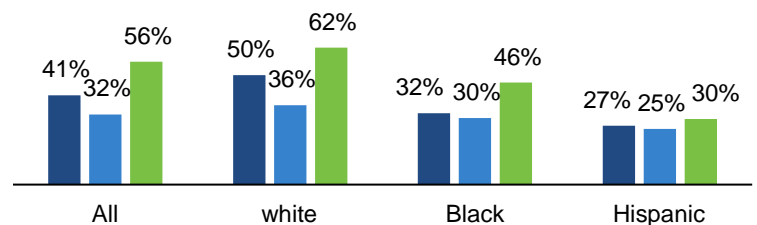

The KRA determines each child’s readiness across four domains:

Kindergarten readiness is better than it was pre -pandemic

\*Modified KRA due to COVID19 pandemic

There are disparities in kindergarten readiness by race and ethnicity – for all students and for those in poverty compared to not in poverty

Data obtained directly from the South Carolina Department of Education
